

Eighth Annual Cobscook Bay 10K for Down East Hospice

There was a record turnout for the Eight Annual Cobscook Bay 10K in Pembroke on Sunday, June 6th. Two new course records were set—Derek Fisher's 35:28 in the 10K took the master's record; Matt Ferguson shattered the existing 5K time with a speedy 17:48. With a total of 160 entrants, the 1999 event was an enormous success for Down East Hospice, a nonprofit organization that provides free care and support for the terminally ill, the grieving, and their families throughout Washington County, Maine.

The race directors wish to thank the Hospice volunteers, members of the community, and all the participants who helped make this year's event a resounding success.
